

15 November 2023

Dear Shareholder,

First Graphene Limited (ASX:FGR) – 2023 Share Purchase Plan

On behalf of the Board of First Graphene Limited (ASX: FGR) (**First Graphene** or **Company**), I invite Eligible Shareholders to participate in the First Graphene share purchase plan (**SPP**) as announced to the ASX on 14 November 2023.

Eligible Shareholders are Company shareholders with a registered address in Australia, New Zealand and Germany who were registered holders of Shares at **4.00pm (WST) on 13 November 2023**. If you are a registered shareholder of the Company but a resident outside of these countries, please contact the Company directly to discuss alternative options.

Under the SPP, Eligible Shareholders have an opportunity to purchase between A\$1,000 and A\$30,000 worth of ordinary shares in the capital of the Company (**Shares**), in increments as noted in section 5 below, irrespective of the size of their shareholding, without incurring brokerage or transaction costs, (**Offer**).

The Company is seeking to raise approximately A\$5 million under the SPP through the issue of approximately 78,125,000 Shares at an issue price of A\$0.064 per Share.

The SPP Share issue price represents a discount of 19% to the 5-day VWAP Share price up to and including 13 November 2023, being A\$0.079.

The SPP Offer is not underwritten.

If total demand for the SPP exceeds A\$5 million then the Board reserves the right to reject or scale back applications in its absolute discretion or elect to increase the amount raised under the SPP subject to the ASX Listing Rules.

Proceeds raised under the SPP will be used to accelerate the commercialisation of First Graphene's highly successful graphene-enhanced cement and concrete solutions.

The Company is actively working with more than 30 global partners in the sector and recently achieved a significant milestone by securing a Commercialisation and Development agreement with Breedon Group, the largest cement manufacturer in the United Kingdom. The proceeds of this SPP will significantly enhance our research and development (R&D) capabilities.

The primary focus of the capital raised will be to enhance the Company's presence in the cement and concrete sector, but also expand on the initial growth we've achieved in other key segments, in particular, the global energy market, with the agreement the Company has secured with the Abu Dhabi-headquartered EMDAD Group. This partnership involves the application of our custom developed Kainos Technology, which is used to convert petroleum feedstock from oil producers to high-value battery-grade graphite, graphene and hydrogen.

First Graphene's push into the renewable energy sector, via our R&D collaboration with Greatcell Energy, is also making exceptional gains in the commercialisation of ultra-low cost, flexible perovskite solar cells using PureGRAPH®.

As we continue to achieve results across multiple sectors, we are confident we will see these opportunities come to fruition, further strengthening the Company's consistent revenue growth and commercial success.

I encourage all shareholders to refer to the Company's investor presentation lodged on the ASX platform earlier today for further information regarding the Company's strategy.

The SPP Offer is being made on the terms and conditions of this letter and the SPP Booklet (“**Terms and Conditions**”) and personalised application form. If you are an Eligible Shareholder, please read the Terms and Conditions in full before applying for Shares under the Offer. The SPP Booklet has been released on the ASX announcements platform today and can also be accessed on the company website on <https://firstgraphene.net/share-purchase-plan/>

The Offer will open on **15 November 2023** and is intended to remain open until **5.00pm (WST) on 18 December 2023**, with SPP Shares to be issued on **21 December 2023**.

To participate in the SPP, Eligible Shareholders must apply in accordance with the instructions on their personal Application Form.

Application Forms do not need to be returned provided payment is made by electronic funds transfer (**EFT**) or BPAY® in accordance with the instructions on the Application Form. Bank account details cannot be updated through the Share Purchase Plan application form. Should holders wish to update their email address, bank account details etc. please contact Automic on 1300 288 664 or +61 2 9698 5414 between 8:30am and 7:00pm (AEDT) or email corporate.actions@automicgroup.com.au.

You should be aware that the future market price of the Shares is uncertain and may rise or fall. This means the price you pay for Shares under the SPP may be either higher or lower than the Share price trading on the ASX at the time Shares are issued to you under the SPP. The market price of Shares can be obtained from the ASX’s website by searching for “FGR” in the prices search screen. If you are uncertain whether Shares are a suitable investment for you, you should consult your financial or other professional adviser.

The maximum value of Shares each Eligible Shareholder (irrespective of the size of their shareholding) may apply for under this Offer is A\$30,000 (including through joint holding(s), multiple share accounts or any holding in which they have a beneficial interest/s).

If you have any enquiries in relation to how to lodge your application or the SPP, please call the Company’s Share Registry, Automic, on 1300 288 664 or +61 2 9698 5414 between 8:30am and 7:00pm (AEDT) or email corporate.actions@automicgroup.com.au.

If you have any questions regarding the Company’s investor presentation or the Company’s strategy, please feel free to contact me directly on michael.bell@firstgraphene.net.

Thank you for your continued support.

Yours sincerely,

Michael Bell

2023 SHARE PURCHASE PLAN TERMS AND CONDITIONS

These are the terms and conditions of the First Graphene Limited (ACN 007 870 760 (**Company**)) 2023 Share Purchase Plan (**SPP**) and are binding on any shareholder applying for Shares in accordance with their personal SPP Application Form to the Company.

1. Important Notices

The offer to purchase Shares under the SPP is not a recommendation to acquire Shares. If you are in any doubt about this SPP, you should consider obtaining professional financial and/or taxation advice to assist you in determining whether or not, and the extent to which, you wish to participate in the SPP (taking into account your own financial situation, needs and objectives). Nothing in these terms and conditions ("**Terms and Conditions**"), your personalised SPP application form or any other accompanying documentation constitutes investment or financial product advice or is intended to influence your decision whether or not to participate in the SPP. If you apply to participate in the SPP you are accepting the risk that the market price of the Shares may change. This means it is possible that, between the time you make your application and up to or after the Shares are issued, you may be able to buy Shares on market at a lower price than the issue price. No cooling-off regime applies in relation to the acquisition of Shares under the SPP.

2. Offer

- (a) The SPP entitles each Eligible Shareholder in the Company to subscribe through the Company's Share Purchase Plan (**SPP**) for a minimum of A\$1,000 and a maximum of A\$30,000 worth of fully paid ordinary shares in the Company (**Shares**), in increments as noted in section 5 below, at an issue price of A\$0.064 per Share, without incurring brokerage in accordance with the following terms and conditions (**Offer**).
- (b) The Offer is non-renounceable. This means that Eligible Shareholders cannot transfer their entitlement to purchase Shares under the SPP to another person.
- (c) Participation in the SPP is entirely at the option of each Eligible Shareholder.

3. Eligible Shareholders

- (a) You are eligible to apply for Shares under the SPP (**Eligible Shareholder**) if:
 - (i) your registered address in the Company's register of members is in Australia, New Zealand or Germany; and
 - (ii) you were registered as a holder of Shares as at 4.00pm (WST) on 13 November 2023 (**Record Date**).
- (b) For the purposes of determining Eligible Shareholders, joint holders of Shares are taken to be a single registered holder of Shares.

4. Issue Price

- (a) The issue price for each Share under the Offer is A\$0.064 per Share (**Issue Price**).
- (b) The Issue Price represents a 18% discount to the last closing price of A\$0.078 as at 13 November 2023, the last trading day immediately prior to the announcement date of the Offer.

- (c) The Issue Price represents a discount of 19% to the volume weighted average market price for the Shares over the last five (5) days on which sales in the Shares were recorded on the ASX before the day on which the SPP was announced on 14 November 2023, being A\$0.079.
- (d) The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your application under the Offer. This would have a corresponding effect on the value of the Shares received under the Offer.

5. Number of Shares

- (a) If you are an Eligible Participant, you can apply for a minimum of A\$1000 and up to a maximum of A\$30,000 worth of Shares, in the increments noted below. Eligible Shareholders can elect one of the following alternatives.

Offer	Value	Number of Shares
A	A\$1,000	15,625
B	A\$2,000	31,250
C	A\$5,000	78,125
D	A\$10,000	156,250
E	A\$20,000	312,500
F	A\$30,000	468,750

- (b) The maximum investment any Eligible Shareholder may apply for will remain A\$30,000 even if a shareholder receives more than one Offer (whether in respect of a joint holding or because the shareholder has more than one holding under a separate account).
- (c) Applicants must ensure that the aggregate of the application price paid for the Shares the subject of the application and any other Shares applied for under the SPP or any similar arrangement in the 12 months prior to the date of submission (including through a Custodian) does not exceed A\$30,000 (excluding Shares applied for but not issued).
- (d) The Company reserves the right to issue an Eligible Shareholder fewer Share than the number specified in the Application Form for whatever reason, including to avoid possible subscription of over A\$30,000 worth of Shares by a Shareholder through multiple applications or joint holdings.
- (e) No fractions of Shares will be issued. Any fraction of a Share will be rounded up to the nearest whole number of Shares.
- (f) In accordance with ASX Listing Rule 7.2 Exception 5, the total number of Shares that are able to be issued under the SPP must not exceed 30% of the number of Shares currently on issue.
- (g) It is presently intended that a maximum of 78,125,000 Shares will be issued under the Offer, which would raise a maximum of approximately A\$5 million before costs. The Board reserves the right to accept oversubscriptions.
- (h) If the Offer is oversubscribed, the Board reserves the right to reject or scale back any application in whole or in part in its absolute discretion. When determining the amount if any by which to scale back an application, the Company may take into account a number of factors including, without limitation, the size of the applicant's shareholding,

the extent to which the Eligible Shareholders have sold or bought additional Shares after the Record Date and the date an Application was made.

- (i) If there is a rejection or scale-back, applicants may not receive any or all the Shares for which they have applied. If a scale-back produces a fractional number when applied to an application, the number of Shares to be allotted will be rounded up to the nearest whole number of Shares and any monies promptly refunded without interest.

6. Share Rights and Obligations

- (a) The rights and obligations of the Shares issued under the Offer are contained in the Constitution of the Company (which is available for inspection at the registered office of the Company during the Offer period).
- (b) All Shares issued under the SPP will rank equally with existing fully paid ordinary shares from the date of issue, and carry the same voting rights, dividend rights and other entitlements as existing Shares.

7. How to apply and pay for Shares

- (a) Eligible Shareholders may apply for Shares under the Offer in accordance with their personalised Application Form.
- (b) Payment may be made for Shares by electronic funds transfer (**EFT**) or BPAY[®], details of which are set out in personalised Application Forms.
- (c) Please provide payment for the exact amount. Please do not forward cash. Receipts for payment will not be issued.
- (d) Application money will not bear interest under any circumstances.
- (e) An Application Form does not need to be returned if payment is made via EFT or BPAY[®]. You must quote the unique payment reference on your personalised application form as your payment reference/description when processing your BPAY[®] or EFT payment. Failure to do so may result in your funds not being allocated to your application and shares subsequently not issued.
- (f) All amounts in this Offer are expressed in Australian dollars.

8. Participation Costs

You must pay the Issue Price per Share and any fees or charges incurred by you in paying the Issue Price for example bank fees or fees of professional advisors. No brokerage, commissions or other transaction costs are payable by Eligible Shareholders under the Offer.

9. Issue of Shares

- (a) Subject to these Terms and Conditions, the Shares will be issued as soon as possible after the Offer closing date.
- (b) The Company will apply for the issued Shares to be quoted on the ASX within the relevant period specified in the ASX Listing Rules.
- (c) Shareholding statements or CHESS notification will be issued in respect of all Shares issued under the SPP. If you trade any Shares before you receive your Holding Statement, then you do so at your own risk.

10. Shortfall

- (a) If less than A\$5 million in valid applications are received for the SPP, the shortfall placement of Shares may be done at Company's discretion.

15. Company's discretions regarding Applications

- (a) Provided it does so in a manner which complies with ASIC Instrument 2019/547 the Company has the right to accept or reject any applications under the SPP in whole or in part, including without limitation where:
 - (i) an Application Form is incorrectly completed or incomplete or otherwise determined by the Company to be invalid;
 - (ii) the Application money is not submitted through BPAY® or EFT within sufficient time for it to be received by the Company before the Closing Date;
 - (iii) it appears that an Eligible Shareholder is applying for more than A\$30,000 (in aggregate) of Shares;
 - (iv) an Application Form is received or deemed to be received after the Closing Date. (While the Company may accept late Application Forms, there is no assurance that it will do so); or
 - (v) the Company reasonably believes that the applicant is not an Eligible Shareholder.
- (b) If the Company rejects, or partially rejects, an application (including by way of scale-back) or terminates the SPP, the Company will promptly refund to the Eligible Shareholder the relevant subscription monies, without interest.
- (c) The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions or to modify these Terms and Conditions. The powers of the Company under these conditions may be exercised by the Directors or any delegate of the Directors.
- (d) If the Company is not satisfied with a Custodian Certificate, the Company cannot issue Shares to the Custodian on behalf of the Beneficiary.
- (e) The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the SPP, whether generally or in relation to any participant, application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.
- (f) The Company may change, suspend or terminate the SPP and Offer at any time whether because of a change of law, ASX, ASIC requirements or policy or any other relevant circumstance. If the Company does this, it will post a notice on its website and make an announcement to the ASX. Failure to notify shareholders of changes to or the

suspension or termination of the SPP and Offer, will not invalidate the change, suspension or termination.

- (g) The Company reserves the right to issue no Shares or fewer Shares than an Eligible Shareholder applies for under the SPP if the Company believes the issue of those Shares would contravene ASIC requirements (including ASIC Instrument 2019/547) or policy, any law or any ASX Listing Rule.
- (h) Under the Instrument the Company must not issue Shares under the Offer unless the Company is reasonably satisfied that the total application price for the following does not exceed A\$30,000:
 - (i) the Shares the subject of your application;
 - (ii) any other Shares applied for by you under a similar arrangement in the 12 months before the application;
 - (iii) any other Shares you have instructed a Custodian to acquire for your benefit under the Offer; and

except to the extent that the person issued with Shares as a Custodian as a valid Custodian Certificate has been provided.

16. Risks

- (a) The market price of Shares may change from time to time. Accordingly, there is no relationship between the issue price of Shares under the Offer and the market price of Shares moving forward.
- (b) Before deciding whether to accept the Offer, you should refer to the current market price of the Company's Shares, which can be obtained from daily newspapers, your stockbroker or financial adviser or the ASX.
- (c) Owning shares in the Company is considered a speculative form of investment and the future price of the Company's Shares can rise or fall.
- (d) Shareholders should be aware that there is a risk that the market price of the Shares may change between the date of this Offer and the date when the new shares are issued under the SPP. The value of the Shares received may rise or fall accordingly.
- (e) Shareholders should note that the Offer is not made under a prospectus or other disclosure document and does not require the type of disclosure required under the *Corporations Act 2001* (Cth). Shareholders must rely on their own knowledge of the Company and previous disclosures made by the Company on the ASX. You should consult your professional advisers when deciding whether or not to accept the Offer and participate in the SPP.

17. Privacy

- (a) By applying for Shares under the SPP in accordance with your Application Form, you will be providing personal information to the Company. The *Privacy Act 1988* (Cth)

governs the use of a person's personal information and sets out principles governing the ways in which organisations should treat personal information.

- (b) The Company collects information about each applicant for the purposes of evaluating and processing the application and, if the application is successful, to administer the applicant's security holding in the Company.
- (c) If the Company is obliged to do so by law, investors' personal information will be passed on to other parties strictly in accordance with legal requirements. Once personal information is no longer needed for the Company's records, the Company will destroy or de-identify it.
- (d) Each applicant agrees that the Company may use the information provided by an applicant on the Application Form for the purposes set out in this privacy disclosure statement and may disclose it for those purposes to the share registry, the Company's related bodies corporate, agents, contractors and third party service providers, including mailing houses and professional advisers, and to ASX and regulatory authorities.
- (e) Except as stated by the law, Shareholders are able to access, upon request, their personal information held by the Company.

18. Additional Provisions

- (a) The SPP is established pursuant to the *Corporations Act 2001* (Cth) as amended by Australian Securities and Investment Commission (**ASIC**) Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC Instrument 2019/547**) and the ASX Listing Rules.
- (b) Compliance with ASIC Instrument 2019/547 exempts the Company from having to issue a disclosure document (e.g. prospectus) for the Offer. This SPP is intended to be a "Purchase Plan" for the purposes of ASIC Instrument 2019/547 and is to be read and construed and administered in a manner which causes the SPP to qualify and satisfy the requirements of a Purchase Plan under ASIC Instrument 2019/547.
- (c) The issue of the Shares under the Offer falls within ASX Listing Rule 7.2 (exemption 5) and consequently those Shares issued will not count towards the Company's 25% placement limit under ASX Listing Rules 7.1 and 7.1A.
- (d) Directors of the Company who qualify as Eligible Shareholders may participate in the Offer on the same terms and conditions as all other Eligible Shareholders and their participation is not subject to shareholder approval.
- (e) Due to foreign securities laws, it is not practical for shareholders resident in other countries, other than New Zealand and Germany, to be offered the opportunity to participate in the SPP.

19. Governing Law

These Terms and Conditions are governed by the laws in force in Western Australia.
