Introduction

This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ending 30 June 2019, followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period.

Principle 1: Lay Solid Foundations for Management and Oversight

1.1	<p>A listed entity should disclose:</p> <p>(a) the respective roles and responsibilities of its board and management; and</p> <p>(b) those matters expressly reserved to the board and those delegated to management.</p>	✓	<p>The Board has adopted a Board Charter that formalises its roles and responsibilities and defines the matters that are reserved for the Board and specific matters that are delegated to management.</p> <p>The Board Charter is available on the Company's website.</p>
1.2	<p>A listed entity should:</p> <p>(a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and</p> <p>(b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.</p>	✓	<p>The Board is responsible for ensuring it is comprised of individuals who are best able to discharge the responsibilities of directors having regard to the law and the best standards of governance.</p> <p>The Company requires the Board to ensure appropriate checks (including checks in respect of character, experience, education, criminal record and bankruptcy history (as appropriate)) are undertaken before appointing a person or putting forward to security holders a candidate for election, as a Director.</p> <p>The qualifications, experience and special responsibilities of the Board members are set out in the Directors Report.</p>

1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	✓	On appointment of a Director, the Company issues a letter of appointment setting out the terms and conditions of their appointment to the Board. Senior executives have executed services contracts with the Company.
1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	✓	<p>The Corporate Governance Manual outlines the roles, responsibility and accountability of the Company Secretary. In accordance with this, the Company Secretary is accountable to the Board, through the Chair, on all governance matters.</p> <p>The Company Secretary is to report to the Board on matters they are aware of which fall within the Materiality Threshold as set out in the Company's Board Charter.</p>
1.5	<p>A listed entity should:</p> <p>(a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;</p> <p>(b) disclose that policy or a summary of it; and</p> <p>(c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them, and either:</p> <p>(1) the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or</p> <p>(2) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality</p>	✓	<p>The Company has a Diversity Policy, which is disclosed on the Company website. The Board acknowledges the absence of female participation on the Board of Directors. However, the Board has determined that the composition of the current Board represents the best mix of Directors that have an appropriate range of qualifications and expertise, can understand and competently deal with current and emerging business issues and can effectively review and challenge the performance of management.</p> <p>The Company has not set or disclosed measurable objectives for achieving gender diversity. Due to the size of the Company, the Board does not deem it practical to limit the Company to specific targets for gender diversity as it operates in a very competitive labour market where positions are sometimes difficult to fill. However, every candidate suitably qualified for a position has an equal opportunity of appointment regardless of gender, age, ethnicity or cultural background.</p> <p>The proportion of women employees in the whole organisation, women in senior executive positions and women on the Board are set out in the following table:</p>

	Indicators", as defined in and published under that Act.			Proportion of women
1.6	<p>A listed entity should:</p> <p>(a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and</p> <p>(b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</p>	✓	<p>(a) The Board is responsible for evaluating the performance of the Board, its committees and individual Directors on an annual basis. It may do so with the aid of an independent advisor. The process for this is set out in the Process for Performance Evaluation, which is available on the Company's website.</p> <p>(b) The Process for Performance Evaluation requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. The Company has completed performance evaluations in respect of the Board, its committees and individual Directors for the past financial year in accordance with the above process.</p>	<p>Whole organisation: 3 out of 18 (17%)</p> <p>Senior Executive positions: 1 out of 5 (20%)</p> <p>Board: 0 out of 3 (0%)</p>
1.7	<p>A listed entity should:</p> <p>(a) have and disclose a process for periodically evaluating the performance of its senior executives; and</p> <p>(b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</p>	✓	<p>(a) The Board is responsible for evaluating the performance and remuneration of the Company's senior executives on an annual basis. A senior executive, for these purposes, means key management personnel (as defined in the Corporations Act) other than a non-executive Director. The applicable processes for these evaluations can be found in the Company's Process for Performance Evaluation, which is available on the Company's website.</p> <p>(b) The Company has completed performance evaluations in respect of the senior executives (if any) for the past financial year in</p>	

			accordance with the applicable processes.

Principle 2: Structure the Board to Add Value

2.1	<p>The board of a listed entity should:</p> <p>(a) have a nomination committee which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director,</p> <p>and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or</p> <p>(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its duties and responsibilities effectively.</p>	✓	<p>The Company has not established a separate Nomination Committee. Given the current size and composition of the Board, the Board believes that there would be no efficiencies gained by establishing a separate Nomination Committee. Accordingly, the Board performs the role of the Nomination Committee. When the Board convenes as the Nomination Committee it carries out those functions which are normally delegated to a Nomination Committee. The Board deals with any conflicts of interest that may occur when convening in the capacity of the Nomination Committee by ensuring that the director with conflicting interests is not party to the relevant discussions.</p> <p>The full Board carries out the role of the Nomination Committee. The full Board did not officially convene as a Nomination Committee during the Reporting Period, however nomination-related discussions occurred from time to time during the year as required.</p>
2.2	<p>A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.</p>	X	<p>The Company supports the appointment of Directors who bring a wide range of business and professional skills and experience. While the Company does not have or disclose a formal skills matrix it does consider directors attributes prior to any appointment. The qualifications, skills and expertise relevant to the position of Director held by each Director in office at the date of the annual report and their attendance at Board and Committee meetings is included in the Directors' Report.</p>

2.3	<p>A listed entity should disclose:</p> <p>(a) the names of the directors considered by the board to be independent directors;</p> <p>(b) if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and</p> <p>(c) the length of service of each director.</p>	✓	<p>The Board considers Directors to be independent where they are free of any interest, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his or her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity and its security holders generally.</p> <p>The Board has adopted a definition of independence based on that set out in Principle 2.3 of the ASX Corporate Governance Council Principles and Recommendations. The Board will review the independence of each Director in light of interests disclosed to the Board from time to time.</p> <p>In accordance with the definition of independence above, and the materiality thresholds set, the following Directors are considered to be independent: Mr Warwick Grigor has been an independent director since his appointment on 4 December 2015; and</p> <p>Mr Craig McGuckin is not considered to be an independent director due to his role as Managing Director. Mr Peter Youd is not considered to be an independent director due to his role as Executive Director, CFO and Company Secretary.</p>
2.4	A majority of the board of a listed entity should be independent directors.	x	Less than half of the Board's directors (1 out of 3) are considered independent.
2.5	The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	✓	The Chairman of the Board, Mr Warwick Grigor is an independent director. Mr Craig McGuckin is the Managing Director of the Company.
2.6	A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and	✓	The Board's induction program provides incoming directors with information that will enable them to carry out their duties in the best interests of the Company. This includes supporting ongoing

	<p>knowledge needed to perform their role as directors effectively.</p>		<p>education of Directors for the benefit of the Company.</p> <p>Each director of the Company has the right to seek independent professional advice at the expense of the Company, however prior approval of the Chairman is required which will not be unreasonably withheld.</p>

Principle 3: Act Ethically and Responsibly

3.1	<p>A listed entity should:</p> <p>(a) have a code of conduct for its directors, senior executives and employees; and</p> <p>(b) disclose that code or a summary of it.</p>	✓	<p>The Company has adopted a Code of Conduct to be adhered to by the Board, management and employees.</p> <p>The Code of Conduct is available on the Company's website.</p>

Principle 4: Safeguard Integrity in Corporate Reporting

4.1	<p>The board of a listed entity should:</p> <p>(a) have an audit committee which:</p> <p>(1) has at least three members, all of whom are non-executive directors and a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director, who is not the chair of the board,</p> <p>and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the relevant qualifications and experience of the members of the committee; and</p> <p>(5) in relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or</p> <p>(b) if it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of</p>	✓	<p>The Company does not currently have a separate Audit Committee. Given the current size and composition of the Board, the Board believes that there would be no efficiencies gained by establishing a separate Audit Committee. Accordingly, the Board performs the role of the Audit Committee. When the Board convenes as the Audit Committee it carries out those functions which are delegated to it in the Company's Audit Committee Charter. The Board deals with any conflicts of interest that may occur when convening in the capacity of the Audit Committee by ensuring that the director with conflicting interests is not party to the relevant discussions.</p> <p>The full Board carries out the role of the Audit Committee. The full Board did not officially convene as an Audit Committee during the Reporting Period, however Audit-related discussions occurred from time to time during the year as required.</p> <p>The Company has established procedures for the selection, appointment and rotation of its external auditor. The Board is responsible for the initial appointment of the external auditor and the appointment of a new external auditor</p>

	the external auditor and the rotation of the audit engagement partner.		<p>when any vacancy arises, as recommended by the Audit Committee (or its equivalent). The Board may otherwise select an external auditor based on criteria relevant to the Company's business and circumstances. The performance of the external auditor is reviewed on an annual basis by the Audit Committee (or its equivalent) and any recommendations are made to the Board.</p> <p>The Company's Audit Committee Charter and the Company's Procedure for Selection, Appointment and Rotation of External Auditor are available on the Company's website.</p>
4.2	The board of a listed entity should, before it approves the entity's financial statements for a financial period, receive from its CEO and CFO a declaration that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.	✓	The CEO and the CFO make a statement to the Board prior to approval of the annual, half-yearly and quarterly accounts that, in their opinion, the financial records of the entity have been properly maintained and that the financial statements comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

Principle 6: Respect the Rights of Security Holders
